

ART ON THE SPECTRUM

To kick off Autism Awareness Month, the Autism Society of Larimer County and Summit Studios will present Art on the Spectrum on April 2nd during the First Friday Art Walk. This will be a great opportunity to show hundreds of art enthusiast autism across the spectrum. The spectrum will be displayed ranging from a single scratch of a marker or paint on the page to finishing with a mechanical drawing by Dr. Temple Grandin. This will be a visual display of diversity and talent found on the autism spectrum.
